**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of the Tega Cay Water Company that is requesting a rate increase.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I wish to register my vote against any such proposed rate increase at this time. I am a senior citizen and living on a fixed income and the proposed increase would seriously impact our budget. Further, I fail to see the urgent need for the increase at a time when our city is adding more customers each year adding to their revenue.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

I'm sorry but I am unable to attend the scheduled meeting but would sincerely appreciate my vote being added to the count.
